Management Replies to CAG Comments on Financial Statements

S N.	CAG Comment	Management Reply
1.	<p>Subject- Statement of change in equity for the year ended 31 March 2023</p> <p>The company has stated the number of equity shares as 7,786 lakh in the statement of changes in equity for the year ended 31 March 2022. However, the company had disclosed the opening balance of equity shares as 7,837 lakh in the statements of changes in equity for the year ended 31 March 2023.</p> <p>The company had not stated the reason for re-stating the number of equity shares during 2022-23.</p>	<p>“Statement of changes in equity” presents changes in equity during the financial year, it is also used to present the impact of prior period errors on equity. Accordingly, any changes reported in balance sheet and statement of profit & loss having impact on reporting is reported in “statement of changes in equity”.</p> <p>During F.Y. 2021-22, ASRL issued 51 lakhs equity shares, which was correctly reflecting in the face of Balance Sheet including notes to accounts but such impact was inadvertently not reported in “statement of change of equity” for F Y 2021-22.</p> <p>During the current year in “Statement of Changes in equity” for the FY 2022-23, ASRL considered shares issued during the FY 2021-22 which was not taken during FY 2021-22.</p> <p>Since, it was a rectification of error of previous year, therefore, no additional disclosure is given for same.</p> <p><u>Financial Impact</u></p> <p>Comment of CAG does not have impact on reported amount of profit for the year, assets, liabilities and reported amount of equity of Angul Sukinda Railway Ltd.</p>

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practice by Angul Sukinda Railway Limited (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of Angul Sukinda Railway Limited's books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2023 complied with the statutory provisions listed hereunder and also that the company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31stMarch, 2023 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made there under;
- (ii) Following other laws as are specifically applicable to the Company:
 - a. Employees PF & Misc. Provisions Act, 1954
 - b. Payment of Gratuity Act
 - c. Industrial Disputes Act, 1947
 - d. Contract Labour (Regulations and Abolition) Act, 1970.

- f. Goods & Service Tax Act, 2017,
- g. Orissa State Tax on Professions, Trades, Callings and Employments Act 2000/ Orissa State Tax On Professions, Trades, Callings And Employments Rules, 2000.

We have also examined compliance with the applicable clauses of the Secretarial Standards (though not mandatory during the year) issued by the Institute of Company Secretaries of India, under Section 118 (10) of the Companies Act, 2013 to the extent observed by the Company.

The management has represented and we have also checked that the Company being an unlisted Public Company the following Acts, Regulations, Guidelines, Agreements etc. as specified in the prescribed MR-3 Form were not applicable to the Company:

- (i) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (ii) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') :
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (f) The Securities and Exchange Board of India (Registers to an issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and;
 - (h) The Securities and Exchange Board of India (Buy Back of Securities) Regulations, 1998;
- (iii) Listing Agreements with Stock Exchanges.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above **except to the extent mentioned below:**

We further report that:

- (a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. Further as per the Management Representation Letter given, the Company in its 60th Meeting of the Board of Directors held on 13.03.2023 decided not to appoint any Independent Directors after the completion of the tenure of the existing Independent Directors as on

that date as the Company is exempted from appointing Independent Directors as per MCA Circular No.- 09/2017 Dt. 05.09.2017.

The tenure of the last woman director has ended on 20.10.2022 and since then the Company has not appointed any Women Director as per the provisions of Section 149(1) of the Companies Act 2013 till the end of the financial year under consideration.

- (b) Adequate notice was given to all directors to schedule the Board Meetings and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- (c) Majority decision is carried through while the dissenting members' views are captured and recorded as part of minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that there are no specific events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc. referred to above.

ANGUL SUKINDA RAILWAY LIMITED
NOTES FORMING PART OF THE FINANCIAL STATEMENT ENDED 31ST MARCH 2023

1 General Information

Angul Sukinda Railway Limited is a public limited company domiciled and was incorporated in India on February 20, 2009 as a Special Purpose Vehicle for the construction of new railway line from Angul to Sukinda on East Coast Railways. The Company is a Joint Venture of Rail Vikas Nigam Limited (RVNL), Govt of Odisha (GoO), Odisha Mining corporation limited (OMC), Container corporation of India limited (Concor), Odisha Industrial Infrastructure Development Corporation (IDCO) and Jindal Steel and Power Limited (JSPL). The registered office of the company is located at Plot No. 7622/4706 Mauza- Gadakana Press Chhaka Bhubaneswar Odisha 751005.

As per the Shareholders' agreement dated May 27, 2009, the construction of the project will be undertaken by Rail Vikas Nigam Limited (RVNL) in terms of Construction Agreement with the company.

The Company has entered into a Concession Agreement with Ministry of Railways (MoR), Government of India dated 14th May, 2010 in terms of which the Ministry of Railways (Concessioning Authority) has authorized the Company (Concessionaire) to develop, finance, design, engineer, procure, construct, operate and maintain the Project Railway and to exercise and/or enjoy the rights, powers, benefits, privileges authorizations and entitlements upon its completion. Further, in terms of the said agreement, the East Coast Railway (ECOR) will lease the existing Land to the company for the purpose of the Project, lease rental for which shall be as per the extant policy of the MoR as revised from time to time and the new land acquired by it in lieu of a nominal Annual Lease rental of ₹ 1 as referred to in the Lease Deed forming part of the Concession Agreement. Further Land acquisition will be done by ASRL (through ECR) and will remain the property of ASRL till the expiry of 30 year lease period or Net present Value (NPV) payback equal to equity investment @14% whichever is earlier. In case the NPV payback is reached earlier than 30 years, the concession agreement would stand terminated and the project line would be repossessed by railway.

2 Summary of significant accounting policies

2.1 Basis of preparation

The financial statements as at and for the year ended 31st March 2023 have been prepared in accordance with Indian Accounting Standards (Ind-AS) notified under section 133 of the Companies Act, 2013 as companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.

2.2 Basis of measurement

The financial statements have been prepared under the historical cost convention and on an accrual basis, except for the following item that have been measured at fair value as required by relevant Ind-AS.

- i. Certain financial assets and liabilities measured at fair value.

2.3 Use of estimates and judgment

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, disclosure of contingent assets and liabilities at the date of financial statements and the reported amount of income and expenses. Examples of such estimates includes estimated useful life of property, plant and equipment and Intangible Assets. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Future results could differ due to changes in these estimates and difference between the actual result and the estimates are recognised in the period in which the results are known /materialize.

All financial information presented in Indian rupees and all values are rounded to the nearest lakhs upto two decimals except where otherwise stated.

2.4 Statement of Cash flow

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

For the purposes of the Statement of cash flow, cash and cash equivalents include cash in hand, cash at banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand are considered part of the Company's cash management system.

2.5 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates (i.e. Functional Currency). The financial statements are presented in Indian rupees, which is the functional as well as presentation currency of the company.

2.6 Property, plant and equipment

a) Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost of asset includes the following:

- i. Cost directly attributable to the acquisition of the assets
- ii. Present value of the estimated costs of dismantling & removing the items & restoring the site on which it is located if recognition criteria are met.

b) Cost of replacement, major inspection, repair of significant parts are capitalized if the recognition criteria are met.

c) Items of fixed assets that have been retired from active use and are held for disposal are stated at the lower of their net book value or net realizable value and are shown separately in the financial statements. Any expected loss is recognized immediately in the Statement of Profit and Loss. Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets which are carried at cost are recognized in the Statement of Profit and Loss.

Depreciation

(a) Depreciation on Property, plant and Equipment is provided on written down value method (WDV) over the estimated useful life of the assets as specified in Schedule II of the Companies Act, 2013.

(b) Each part of an item of Property, Plant and Equipment is depreciated separately if the cost of part is significant in relation to the total cost of the item and useful life of that part is different from the useful life of remaining asset.

Particulars	Useful Life
Plant and Machinery	15
Computers	3
Mobile handsets	5
Office Equipment	5
Furniture and fixtures	10
Vehicles	8

(c) Leasehold improvements are amortized over the period of lease from the month in which such improvements are capitalized or over the useful life as computed under the Companies Act 2013.

(d) Depreciation methods, useful lives and residual values are reviewed at each reporting date, with the effect of change in estimate accounted for on a prospective basis.

2.7 Intangible Assets

a) Other Than Freight Sharing Right

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at historical cost less accumulated amortization and impairment loss, if any.

Amortisation

Computer Software is amortised over a period of three years on pro-rata basis.

b) Freight Sharing Right (Railway Line under SCA)

The company recognizes an intangible asset arising from a service concession arrangement when it has a right to charge for usage of the concession infrastructure. An intangible asset received as consideration for providing construction or upgrade services in a service concession arrangement is measured at fair value on initial recognition by reference to the fair value of the services provided. Subsequent to initial recognition, the intangible asset is measured at cost, less accumulated amortization and accumulated impairment losses.

The estimated useful life of an intangible asset in a service concession arrangement is the period from where the company is able to charge the public for the use of the infrastructure to the end of the concession period (i.e. 30 year of operation or Net present Value (NPV) payback equal to equity investment @14% whichever is earlier.).

Freight sharing right is amortised using the straight line method on prorata basis from the date of addition or from the date when the right brought in to service to the expiry of 30 year of operation or Net present Value (NPV) payback equal to equity investment @14% whichever is earlier.

Amortisation methods and useful lives are reviewed at each reporting date, with the effect of change in estimate accounted for on a prospective basis.

The carrying value of intangible asset is reviewed for impairment annually or more often if events or changes in circumstances indicate that the carrying value may not be recoverable.

2.8 Intangible Assets under development Freight sharing right under development

Expenditure which can be directly identifiable related to the service concession arrangements are recognised as freight sharing right under development. Indirect expenditure in the nature of employee benefits and other expenses has been charged to project to the extent of directly attributable to the project.

The following amounts are reduced from the intangible under development:

- Interest earned on the Mobilization Advances given in respect of the project execution.
- Amount received on sale of tender.

2.9 Impairment of non-financial assets

In accordance with Indian Accounting Standard-36 "Impairment of Assets" (Ind AS-36), the carrying amounts of Company's assets are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated as the higher of the net selling price and the value in use. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. On the basis of review, the management is of the opinion that the economic performance of Fixed Assets of the Company is not worse than expected and therefore there is no impairment of any assets as on the Balance Sheet date.

2.10 Revenue Recognition

a) Revenue from Contracts with Customers

Revenue from contract with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Construction Contract Revenue under SCA

Revenue related to construction or upgrade services under a service concession arrangement is recognized over time based on the stage of completion of the work performed, when the outcome of construction contract can be measured reliably and where the outcome of construction contract can not be measured reliably revenue is recognised only to the extent of contract cost incurred that is probable will be recoverable. Performance obligation is measured by the company on the basis of inputs to the satisfaction of a performance obligation (i.e Input Method).

b) Other Revenue Recognition

- (i) Interest income on FDR is recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable using Effective Interest rate Method.
- (ii) Other items of Income are accounted for as and when right to receive is established.

2.11 Employee Benefits

(a) Short Term Employee Benefits

- (i) The undiscounted amount of short term employee benefits expected to be paid for the services rendered are recognized as an expense during the period when the employees render the services.

(b) Post-employment benefits & other Long Term Employee Benefits:

- i. Retirement benefits in the form of provident fund are defined contribution schemes. The contributions to the provident fund are charged to the statement to the Profit and loss for the year when the contributions are due.
- ii The Company's obligation towards gratuity, leave encashment to employees are actuarially determined and provided for as per Ind AS 19 on Employee Benefits. The cost of providing benefit is determined on the basis of actuarial valuation using the projected unit credit method at each year-end and is charged to the Statement of Profit & Loss.
- iii. Actuarial gains or losses are recognized in other comprehensive income.
- v. Re-measurements recognised in other comprehensive income comprise of actuarial gains or losses that are not reclassified to profit or loss from other comprehensive income in subsequent periods.

2.12 Borrowing Cost

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, are capitalised as part of the cost of such assets till such time the assets are substantially ready for their intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use. All other borrowings costs are recognized in the statement of Profit and Loss in the period in which they are incurred.

2.13 Current and deferred tax

a) Current income tax

Tax on Income is determined on the basis of taxable Income and tax credits computed in accordance with the provisions of the Income Tax Act 1961. Current income tax assets and liabilities for current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities, liability for additional taxes if any, is provided / paid as and when assessments are completed. Current tax related to OCI Item are recognized in Other Comprehensive Income (OCI).

b) Deferred tax

Deferred income tax assets and liabilities are recognized for temporary differences which is computed using the tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred tax related to OCI Item are recognized in Other Comprehensive Income (OCI).

c) Minimum Alternative Tax credit

Minimum Alternative Tax credit is recognized as an asset only when and to the extent there is probable that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a probable to the effect that the Company will pay normal income tax during the specified period.

2.14 Taxes on Income and interest, penalty, claims and debit notes

Tax/Interest/Fines/penalties on account of late deposit and non-deduction of income tax deducted at source and other statutory dues are accounted for in the year in which they are levied by the statutory authorities.

Claims are accounted for in the year in which they are received/finally settled.

Debit notes/adjustments in respect of deductions are accounted for in the year in which they are received/settled.

2.15 Provisions, Contingent Liabilities and contingent Assets

a) Provisions: Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date. Provisions are reviewed at each Balance Sheet date. Provision which expected to be settled beyond 12 months are measured at the present value by using pretax discount rate that reflects the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expenses.

b) Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

- (i) Contingent Liability and Provisions needed against Contingent Liability and Contingent Assets are reviewed at each Reporting date.
- (ii) Contingent Liability is net of estimated provisions considering possible outflow on settlement.
- (iii) Contingent Assets is disclosed where an inflow of economic benefits is probable.

2.16 Leasing

a) Company as a lessee

(i) The Company Recognizes a right-of- use asset and a lease liability at the lease commencement date. The right of-use asset is initially measured at cost, which comprises the initial amount of lease liability adjusted for any lease payments made at or before the commencement date , plus any initial direct cost incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

(ii) The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-to-use-asset or the end of the lease term. The estimated useful life of the right-to-use asset is determined on the same basis as those of property, plant and equipment. In addition, the right-to-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

(iii) The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate.

(iv) The lease liability is measured at amortized cost using the effective interest method, it is remeasured when there is a change in future lease payments from a change in an index or rate. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right -of-use asset, or is recorded in the profit and loss if the carrying amount of the right-of-use asset has been reduced to zero.

(v) The Company presents right-of-use asset that do not meet the definition of Investment property in the "Property plant and equipment" and lease liabilities in "other financial liabilities" in the Balance Sheet.

(vi) Short term Lease and Leases of low value assets:-The Company has elected not to recognize right-of-use asset and lease liabilities for short term leases that have lease term of 12 months or less and leases of low value assets. The Company recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

(b) As a lessor

When the Company acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease. To classify each lease, the Company makes an overall assessment of whether the lease transfers substantially all the risk and rewards incidental to the ownership of the underlying asset. If this is the case, then the lease is a finance lease, if not then it is an operating lease. As part of the assessment, the Company considers certain indicators such as whether the lease is for the major part of the economic life of the asset.

The Company recognizes lease payments received under operating lease as income on a straight-line basis over the lease term as part of "Other Income".

2.17 Earning Per Share

In determining basic earnings per share, the company considers the net profit attributable to equity shareholders The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. In determining diluted earnings per share, the net profit attributable to equity shareholders and weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

2.18 Non-derivative financial assets

The company recognizes a financial asset arising from a service concession arrangement when it has an unconditional contractual right to receive cash or another financial asset from or at the direction of the grantor for the construction or upgrade services provided. Such financial assets are measured at fair value on initial recognition and classified as loans and receivables. Subsequent to initial recognition, the financial assets are measured at amortized cost.

If the company is paid for the construction services partly by a financial asset and partly by an intangible asset, then each component of the consideration is accounted for separately and is recognized initially at the fair value of the consideration received or receivable.

2.19 Fair Value Measurement

Company measures financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- 1- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- 2 -Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- 3 -Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At the reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Company also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

The fair value of an intangible asset received as consideration for providing construction services in a service concession arrangement is estimated by reference to the fair value of the construction services provided. When the company receives an intangible asset and a financial asset as consideration for providing construction services in a service concession arrangement, the company estimates the fair value of intangible assets as the difference between the fair value of the construction services provided and the fair value of the financial asset received.

2.20 Dividend to equity holders

Dividend paid/payable shall be recognised in the year in which the related dividends are approved by shareholders or board of directors as appropriates.

2.21 Financial instruments:- (i) Initial recognition and measurement

Financial Instruments recognized at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial instruments.

(ii) Subsequent measurement

Financial Assets

Financial assets are classified in following categories:

a. At Amortised Cost

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- (a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- (b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets measured at amortised cost using effective interest rate method less impairment if any. The EIR amortisation is included in finance income in the statement of profit and loss.

b. At Fair Value Through Other Comprehensive Income

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned is recognised using the EIR method.

c. At Fair Value Through Profit and Loss

FVTPL is a residual category for financial Assets. Any financial assets, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the company may elect to designate financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. If doing so reduces or eliminates a measurement or recognition inconsistency. The company has not designated any financial asset as at FVTPL.

Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Financial liabilities

a. Financial liabilities at Amortised Cost

Financial liabilities at amortised cost represented by trade and other payables, security deposits and retention money are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method.

b. Financial liabilities at FVTPL

The company has not designated any financial liabilities at FVTPL.

(iii) Derecognition

Financial Asset

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized only when the contractual rights to the cash flows from the asset expires or it transfers the financial assets and substantially all risks and rewards of the ownership of the asset.

Financial Liability

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the income statement.

(iv) Impairment of financial assets:

Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivable. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition

Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVTOCI debt instruments. The impairment methodology applies on whether there has been significant increase in credit risk.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/expense in the statement of profit and loss.

2.22 Non-current Assets held for Sale

Non-current assets are classified as assets held for sale when their carrying amount is to be recovered principally through a sale transaction and a sale is considered highly probable. The sale is considered highly probable only when the asset or disposal group is available for immediate sale in its present condition, it is unlikely that the sale will be withdrawn and sale is expected within one year from the date of the classification. Disposal groups classified as held for sale are stated at the lower of carrying amount and fair value less costs to sell. Property, plant and equipment and intangible assets are not depreciated or amortised once classified as held for sale. Assets and liabilities classified as held for sale are presented separately in the statement of financial position.

If the criteria stated by IND AS105 "Non-current Assets Held for Sale and Discontinued Operations" are no longer met, the disposal group ceases to be classified as held as held for sale, adjusted for depreciation that would have been recognised had that asset not been classified as held for sale, and (ii) its recoverable amount at the date when the disposal group ceases to be classified as held for sale. Non-current asset that ceases to be classified as held for sale are measured at the lower of (i) its carrying amount before the asset was classified.

- 6.1** Leasehold Land under the head Intangibles under development represents the difference between payments made during the year for land acquisition through East Coast Railway amounts to Rs 368.78/- Lakhs (Rs 412.91/- Lakhs in 31st March 2022) and receivable from ECoR under SCA measured at fair value recognised as financial assets during the year ended 31st March 2023 amounts to Rs 41.89/- Lakhs (Rs 33.18/- Lakhs in 31st March 2022). The title of land acquired / to be acquired will however continue to remain with East Coast Railway and the company hold the leasehold rights on the Land till the period of Concession Agreement i.e., 30 years or on to attainment of the Net Present Value (NPV) payback equal to equity investment @14% whichever is earlier . In case the NPV payback is reached earlier then 30 years, the concession agreement would stand terminated and the project line would be repossessed by railway.
- The Leasehold Land acquired by ASRL (through ECoR) will remain the property of ASRL till the period of Concession Agreement and thereafter will revert to ECoR since, the value of land will be recovered from ECoR.
- 6.2** Construction agreement has been signed by RVNL on 24th April 2015, Direction & General (D&G) and Departmental charges have been charged by RVNL as per the terms of agreement.
- 6.3** Board of Directors of the Company at its 54th meeting held on 20.11.2021, approved the allotment of ₹90 lakhs to DRM/Khurda for construction of Type-V quarter with a condition that the Funds would be released in phased manner, as a part of the provision for construction of quarters for officers and staffs related to operation of Angul sukinda Rail line. Till date no amount has been released on the same. As the provision for staffs quarters to be constructed at different stations is already in the estimates under "Stations and Buildings" head of the project, no separate provision is required for the same.
- 6.4** The total Estimated project cost (hard cost) has been revised to Rs. 2913.39 Cr from 2491.19 cr. due to price escalation (PV clause in the contract), GST implications, the construction of Pucca and permanent side drawn cum retaining wall in the entire cutting section, the inclusion of GSB (Granular Soil Bage) material in Budhapank and Talcher areas where natural blanketing materials are not readily available (as per the latest guideline of RDSO), the introduction of a new goods platform, the use of 60 kg new rails instead of 60 kg (Second Hand) rail sections for the loop line, the conversion of some minor bridges into major bridges, the addition of 7 minor bridges, etc. Further, the CoD of Angul Sukinda new rail link in including 'E' Route has been extended to December 2023 from June 2023.
- 6.5** The trial run has been started in the Angul sukinda new line from March 1, 2023. The amount to be received from ECoR could not be reliably estimated due to non-receipt of data from ECoR. Therefore, financial impact of the month of March, 2023 could not be quantified. Accordingly, financial impact in respect to the same could not be given effect in the financial statement of FY 2022-23.

ANGUL SUKINDA RAILWAY COMPANY LIMITED
NOTES FORMING PART OF THE FINANCIAL STATEMENT ENDED 31ST MARCH 2023

Disclosure of Ind As 115 "Revenue from Contracts with Customers"

30 Service Concession arrangements

Public –to-private service concession arrangements are recorded according to Appendix "D" Service Concession Arrangements" IND-AS-115 . Appendix "D" Service Concession Arrangements applies if:

- a) The Grantor controls or regulates which services the operator should provide with the infrastructure, to whom it must provide them, and at what
- b) The grantor controls- through ownership, beneficial entitlement, or otherwise- any significant residual interest in the infrastructure at the end of the term of the arrangement.

If both of the above conditions are met simultaneously, an intangible asset is recognized to the extent that the operator receives the right to charge users of the public service, provided that these charges are conditional on the degree to which the service is used.

These intangible assets are initially recognized at cost, which is understood as the fair value of the service provided plus other direct costs directly attributable to the operation. They are then amortized over the term of the concession.

The ASRL(Company) has entered into a Concession Agreement with Ministry of Railways (MoR), Government of India dated 14th May 2010 in terms of which the Ministry of Railways (Grantor) has authorized the Company (Operator) to develop, finance, design, engineer, procure, construct, operate and maintain the Project Railway and to exercise and/or enjoy the rights, powers, benefits, privileges authorizations and entitlements upon its completion. In terms of the said agreement ASRL has an obligation to complete construction of the project railway and to keep the project assets in proper working condition including all projects assets whose lives have expired.

The concession period is determined with reference to attainment of NPV payback benchmark at the rate of return of 14%.The concession period shall be 30 years of operation or till the NPV payback equal to equity investment is reached, whichever is earlier. In case the NPV payback is reached earlier than 30 years, the concession agreement would stand terminated and the project line would be re-possessioned by railway.

At the end of concession period, the project assets shall be hand over by ASRL to MOR and ASRL shall be entitled to receive and MOR shall pay to ASRL an amount equal to the value of new assets and additional facilities created by the ASRL net of depreciation and amortisation. The original existing assets leased to ASRL by MOR shall revert back to MOR. The fresh land acquired by MOR and leased to ASRL shall also revert back to MOR on payment of an amount equal to the cost of acquisition.

In terms of the above agreement upon expiry of 30 years of operation the concession period shall be extended by an equal period of time which corresponds to the period for which material disruption of operation and maintenance occurred during the concession period. However such extension will be limited to provision that if NPV payback equal to equity investment is reached earlier then the period so extended , the concession period would stand terminated.

In case of material breach in terms of the agreement the MOR and ASRL both have the right to terminate the agreement if they are not able to cure the event of default in accordance with such agreement.

- 30.1** For the year ended 31st March 2022, the company has recognized revenue of Rs 52501.95 lakhs (Rs 63,528.72 Lakhs for the year ended 31.3.2022) consisting of Rs 52,154.70 lakhs (Rs 62,438.28 Lakhs for the year ended 31.3.2022) on construction of intangible assets under service concession arrangement and Rs 347.25 lakhs as works contract service. Company has recognized nil profit on construction of intangible assets under service concession arrangement .The revenue recognized in relation to construction of intangible assets under service concession arrangement represents the fair value of services provided towards construction of intangible assets under service concession arrangement. The company have not recognised any revenue from operation of railway line since the construction of line is in process. The revenue shall be booked once the operation of line is commenced. The company has recognized receivable under service concession arrangement measured initially at fair value and subsequently at amortised cost as at 31st March 2022 of Rs 2175.12 lakhs (Rs 1,977.60 Lakhs as at 31.3.2022), representing the amortised cost of fresh land acquired by MOR and leased to ASRL which is recoverable at the end of concession period from MOR, of which Rs 738.16 /-Lakhs (Rs 582.54 Lakhs as at 31.3.2022) represents accrued interest. The company has recognized an intangible asset under development of Rs 326.90/- Lakhs as on 31st March, 2023 (Rs 429.87/- lakhs in F.Y.2021-22). The intangible asset under development represents the freight sharing rights under development to receive freight traffic earnings under service concession agreement.

(iii) Financial risk management

The Company's principal financial liabilities comprises other payables. The main purpose of these financial liabilities is to finance the company's operations and to provide guarantees to support its operation. The Company's principal financial assets include cash and cash equivalents and other receivables that derive directly from its operations.

The Company is expose to market risk, credit risk and liquidity risk. The company financial risk activities are governed by appropriated policies and procedures and that financial risk are identified, measured and managed in accordance with the companies policies and risk objectives. The board of directors reviews and agrees policies for managing each of these risk, which are summarised below:-

a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instruments will fluctuate because of changes in market prices. Market risk comprises Interest rate risk. Financial instruments affected by market risk includes deposits and other non derivative financial instruments.

(i) Foreign Currency Risk

The company operates nationally and is exposed to Nil foreign currency risk and exposure.

b) Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instruments will fluctuate because of change in market interest rate. The company exposure to the risk of changes in market interest rate relates primarily to the investments of surplus fund into bank deposits. The company manages its interest risk in accordance with the companies policies and risk objective.

c) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from others. The company is exposed to credit risk from its financial activities including deposits with banks, financial institutions and other financial instruments.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed in accordance with the company's policy. Investment of surplus are made only with approved with counterparty on the basis of the financial quotes received from the counterparty.

d) Liquidity risk

Ultimate responsibility for liquidity risk management rests with the board of directors. The company manages maintaining adequate banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturities of financial liabilities.

The table below provides details regarding the contractual maturities of significant financial liabilities as at 31st March 2023 and 31st March 2022.

34 Key sources of estimation uncertainty

The followings are the key assumptions concerning the future, and the key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities with next financial year.

a) Useful lives of Intangibles

As described in note 2.7, company has estimated the useful live of intangible assets (Intangible under service concession arrangement) is 30 years for amortisation of intangible assets. As per service concession arrangement if NPV payback equal to equity investment @14% is reached earlier than 30 years, the concession agreement would stand terminated and the project line would be repossessed by railway.

The financial impact of the above assessment may impact the amortisation expenses in subsequent financial years

b) Revenue Recognition

The Company recognizes revenue for a performance obligation satisfied over time after reasonably estimating its progress towards complete satisfaction of the performance obligation.

c) Fair valuation measurement and valuation process

The fair values of financial assets and financial liabilities is measured the valuation techniques including the DCF model. The inputs to these method are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See Note 29 for further disclosures.

d) Taxes

Deferred tax assets are recognized for unused tax losses and unabsorbed depreciation to the extent that it is probable that taxable profit will be available against which losses can be utilized significant management judgement is required to determine the amount of deferred tax asset that can be recognised, based upon the likely timing and level of future taxable profit together with future tax planning strategies.

(e) Leases

Ind AS-116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluation the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and importance of the underlying asset to the company's operations taking into account the location of the underlying asset and the availability of the suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

f) Estimation of uncertainties relating to the global health pandemic from COVID-19 (COVID-19)

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information including credit reports and related information and economic forecasts. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

INDEPENDENT AUDITOR’S REPORT

TO THE MEMBERS OF ANGUL SUKINDA RAILWAY LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **ANGUL SUKINDA RAILWAY LIMITED** (the “Company”), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the “standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the “Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (“SA” s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our Auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and

to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied

with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has no pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. The company is not required to transfer any amounts to the Investor Education and Protection Fund.
 - iv. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of accounts using accounting software which has a feature or recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.
2. As required by the Companies (Auditor's Report) Order, 2020("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure B**" to this report a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable:

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of **Angul Sukinda Railway Limited** of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **ANGUL SUKINDA RAILWAY LIMITED** (the “Company”) as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial

reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. In respect to Company's Reporting on CSR Compliance,

- a. There is no unspent amount towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year
- b. There is no amount remaining unspent under sub-section (5) of section 135 of the Companies Act, pursuant to any ongoing project. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA
UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL
STATEMENTS OF ANGUL SUKINDA RAILWAY LIMITED FOR THE YEAR ENDED
31 MARCH 2023.**

The preparation of financial statements of Angul Sukinda Railway Limited for the year ended 31 March 2023 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the company. The statutory auditor/auditors appointed by the Comptroller and Auditor General of India under section 139 (5) of the Act is responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 23 June 2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under section 143(6) (a) of the Act on the financial statements of Angul Sukinda Railway Limited, Bhubaneswar for the year ended 31 March 2023. This Supplementary Audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditor and company personnel and a selective examination of some of the accounting records.

In addition, I would like to highlight the following significant matters under Section 143(6) (b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report.

Balance Sheet

Statement of Changes in Equity for the year ended 31 March 2023

The Company had stated the number of equity shares as 7,786 lakh in the Statement of Changes in Equity for the year ended 31 March 2022. However, the Company had disclosed the opening balance of equity shares as 7,837 lakh in the Statement of Changes in Equity for the year ended 31 March 2023.

The Company had not stated the reasons for re-stating the number of equity shares during 2022-23.

For and on behalf of the
Comptroller and Auditor General of India
